The purpose of this modification is to add the FAR reporting requirement in compliance with Section 889 of the FY2019 National Defense Authorization Act. The above referenced order is hereby modified to:				
1. Add FAR clause 52.204-25, Prohibition on Contracting for Certain Telecommunications and Video Surveillance Services or Equipment (AUG 2019), as prescribed in FAR 4.2105(b), which requires the contractor to report covered telecommunications equipment or services, as defined in the clause, and used as a substantial or essential component of any system, or as critical technology as part of any system, during contract performance.				

As a result of this modification, the total funded amount on the contract remains unchanged.

***Attention Contractors: The invoice submission functionality within the system is changing to converge and normalize invoice submission across ASSIST. The invoice submission process detailed at the following link supersedes any instructions for interfacing with the system(s) currently in the contract. These revised instructions do not change the frequency, content, supporting documentation requirements, or any other terms and conditions for invoice submission: [Invoice Submission Instructions](#)

Upon deployment of the Central Invoice Service, the contractor shall submit invoices electronically by logging into the ASSIST portal (<https://portal.fas.gsa.gov>), navigating to the appropriate order, and creating the invoice for that order. Upon deployment of the Central Invoice Service, the contractor shall NOT submit any invoices directly to the GSA Finance Center (neither by mail nor via electronic submission).
